

# LabTECH Environments | LabTECH Animal Health

Award Winning, 100% Service-Disabled, 100% Veteran-Owned, Small Business Enterprise

We are proud to be a **Certified Diversity Supplier, Service-Disabled Veteran Owned Small Business (SDVOSB) & HUBZone** with a focus on all types of **Clean Air Technology** through our **LabTECH Environments** product line.

The LabTECH Animal Health air filter technology offering is unsurpassed. We have Advanced Internet of Things (AIoT) air quality monitoring & management systems. Our medical-grade 99.99% efficacy, one-pass-kill air purification systems are proven in animal health. Our TOGA (Toxic Gas) model is a room purification solution that will effectively and efficiently purify gases, odors, pathogens, viruses, hair, dander, flu, RSV, keeping animals and staff safe and healthy.

## Technology Innovation + Purified

### ULTRA-VIOLET GERMICIDAL IRRADIATION (UVGI)

- Destroys airborne pathogens, bacteria and viruses including COVID-19 and new variants, SARS, H1N1, Tuberculosis, RSV, Flu

### HIGH-EFFICIENCY PARTICULATE AIR (HEPA) FILTRATION

- Effectively filters down to less than 3 microns
- Filter mold, dust, dander, hair, feathers, allergens, and more

### ACTIVATED CARBON / TITANIUM DIOXIDE ODOR / VOLATILE ORGANIC COMPOUNDS (VOC) CONTROL

- Carbon models with unique activated carbon cell system offer effective odor and VOC removal
- Titanium Dioxide (TiO<sub>2</sub>) models use ultraviolet light to activate a photocatalytic reaction removing odors and VOCs

**Patented High Efficiency 99.99% TRUE HEPA**

+ **Ultraviolet Germicidal Irradiation**

**Clinically Tested + Globally Trusted**

30 years of proven solution

**Exceeding Government Guidelines**

including OSHA, CDC + WHO

### LabTECH Clarifier

- Portable - 350 CFM, only 28" high
- 4 levels of filtration (HEPA) as well as ultraviolet purification

Commercial, Patient, Clinic, Animal Health, Nursing Homes, Surgery, Residential, Kennel, Shop

### LabTECH 900E

- Wall hung - Space saving, 900 CFM
- Mechanical Filtration (HEPA) as well as an ultraviolet purification
- Commercial, Hospital, Military, Academic Institutions

### LabTECH 1000

- Mobile, 1000 - 2000 CFM (Healthcare)
- 2 pre-filters, HEPA filter, Ultraviolet Purification 6-8 Germicidal UV Lamps
- Equatrian, Stable, Refuges, Labs, Waiting, Dining, Locker Rooms, Common Areas

# LabTECH Environments | LabTECH Animal Health

Award Winning, 100% Service-Disabled, 100% Veteran-Owned, Small Business Enterprise

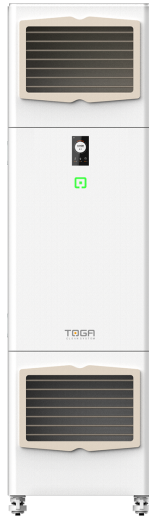

## LabTECH TOGA Portable

- 360 flexible arm with strong chemical resistant motor
- Easy to operate Intelligent touch Panel
- Labs, Workspace without Ventilation, Medical Suites

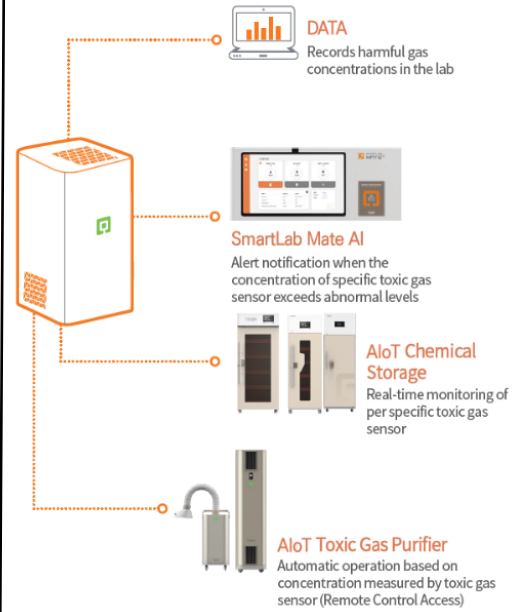

## LabTECH TOGA Standing

- Efficient toxic gas intake
- Chemical resistant motor with powerful suction
- Sound absorbing melamine board
- Workspace without Ventilation, Clean Rooms, Labs, Manufacturing, Pharma, Surgical Suites, Isolation Rooms

## LabTECH Air Monitor AI

- Real-time monitoring of hazardous gas levels
- Color changes on the device depending on detected concentration
- Alert to safeguard staff
- All type of Animal Health Facilities
